

The American Association of Christian Counselors (AACC) offers some clinicians and counselors Continuing Education (CE) credit due to good standing with a limited number of professional organizations.

- The AACC is approved by the **American Psychological Association (APA)** to offer continuing education for psychologists and maintains responsibility for this program and its content.
- The AACC is a **National Board of Certified Counselors (NBCC)** Approved Continuing Education Provider (ACEPTM), may award NBCC approved clock hours for presentations and/or programs that meet NBCC requirements and maintains responsibility for the content of these presentations and programs.
- The AACC meets the qualifications for continuing education credit for MFTs and/or LCSWs as required by the **California Board of Behavioral Science (#3552)**.

It remains the responsibility of each participant to be aware of state licensure requirements. **Participants should check their state and/or local regulations** regarding required continuing education hours.

The training offered through AACC sponsored conferences and training programs also meets the ongoing CE requirements for counselors, life coaches, and crisis responders who are credentialed through the **International Board of Christian Care (IBCC)** or one of its affiliate Boards: the Board of Christian Professional and Pastoral Counseling (BCPPC); the Board of Christian Life Coaching (BCLC); and the Board of Christian Crisis and Trauma Response (BCCTR).

Participants understand and acknowledge that specific presentation/program content (e.g., trauma and abuse subject matter) may result in emotional, psychological and/or spiritual distress related to past or current life experiences. As such, participants may elect to discontinue attendance and/or seek supportive or professional services and resources.

A maximum of XX CE hours may be earned while attending this program. The **cost for CEs is \$30** to cover administrative and processing fees. Attendees must turn in a **signed and properly stamped Continuing Education Form**, which has been validated by an official CE Monitor. CE Monitors will be stationed at the exit doors of each presentation. To be eligible to receive CE hours, the prospective CE recipient **must be present during the entire session/presentation**. Continuing Education Forms will only be stamped and validated at the conclusion of a presentation and not prior to or during the presentation.

Confirmation CE letters/certificates will be mailed after the program is completed and then, only to those participants who request and pay for continuing education hours. Letters and/or certificates will display the name of the attendee, program title, the number of CE hours awarded, and the date of completion. The presentation(s) and the name(s) of the presenter(s) will be listed if an itemized letter has been requested (only where available). The stamped Continuing Education Form should include the **desired address** where CE letters/certificates are to be mailed. Please allow 3-5 weeks for standard processing (major conference events may take 8-12 weeks). Any requests for expedited letters or reprints may result in additional fees.
